Highlights

Convenient cleaning on-the-go
With these antibacterial wipes no water and soap are needed anymore for safe and effective cleaning.

Cleaning of all baby products
The Philips AVENT antibacterial wipes are specially developed for bottles, breast pumps and baby feeding accessories like soothers, teats and teethers. But also very effective for cleaning toys, highchairs, changing tables and more. Simply wipe your products with the antibacterial wipe and allow to dry completely after usage, no need to rinse!

Gentle formulation
The formulation is based on purified water and is proven to kill harmful bacteria effectively. This is the only antibacterial wipe available with a neutral taste and scent formulation.

Easy open/close sticker

The compact packaging includes an easy open/close sticker to keep the antibacterial wipes fresh and ready to use.
